

Facilities and resources

The specialised programs offered at our Academy need specialist facilities.

Our students enjoy the benefits of:

- University-standard science laboratories
- A wireless campus which enables computer network access from all student work and recreation areas
- Extensive recreational and sporting facilities, including a modern gymnasium
- A modern library
- A contemporary refectory
- A 300-seat lecture theatre
- Classrooms with the latest IT infrastructure
- State of the art Music and Design and Technology facilities.
