

QASMT is located at **78 Bywong Street, Toowong**, in Brisbane's inner west. Bordered by the iconic Brisbane River, and picturesque Mount Coot-tha, Toowong is renowned as a character-rich suburb with lush green, tree-lined streets. The Academy is conveniently located 15 minutes drive from Brisbane's CBD and enjoys good access by public transport.

by bus

Bus service **744** operates between **Roma Street Bus Station** and **QASMT**.

QASMT supports the Active School Travel program which encourages students to walk or cycle to school when possible.

by train

Many of our students take the train to Taringa station and walk to school from that location. Students walk 600m from the footbridge to Briggs Street, and use the Moggill Road overpass. For students who find the hills too steep from Taringa train station, they may catch a bus from Toowong station instead (470, which drops them on Dean St in the morning, 8 minute stroll downhill), and picks them up outside school at 3.44pm.

Walking route from Taringa Train station

by car

For parents/caregivers who are dropping off or collecting students by private vehicle, the best and safest location to do this is **Miskin Street (Gate 7)**. It is not ideal to use Bywong Street, as there are only three drop off car spaces. Please **DO NOT** use the Bywong Street bus turn area, or stop in any unauthorised areas, as you may be fined by Brisbane City Council.

If visiting our campus, as there is no onsite parking, please park on a nearby local street and enter via Gate 2 or 3 (Bywong Street). Visitors must register at Reception (A block).
