

Application for Robotics Assistant (casual)

Criteria for SMT Alumni

In order to be successful, a number of criteria will be considered. This may include your participation in school activities and evidence of your service to the school and your contribution to building a positive school culture; including your service to the Academy robotics program. You will need to be available on Friday afternoons during term. Please submit your application to Ms Sharon Prentice, Business Manager Corporate Services at spren12@eq.edu.au. Please note you will need a paid Blue Card prior to commencement.

To progress to the next round, we invite high you to submit a resume and a brief statement addressing the criteria below:

Name:

Email:

Mobile:

Criterion 1	Demonstrate how you align to the vision and values of the Academy
Criterion 2	Demonstrate your attributes of the IB Learner Profile
Criterion 3	Demonstrate your service provided to the school
Criterion 4	Demonstrate your experience with the First Technology Challenge and the different building systems
Criterion 5	Demonstrate positive leadership skills including the ability to delegate responsibility
