

QASMT Public Transport Options

QASMT is located at 78 Bywong Street, Toowong, in Brisbane's inner west. The Academy is served by public buses, trains and student buses. Unlike many schools there is not a single public transport stop outside the school, as there are multiple stops located around the circumference of the school, so working out the best route for your student can be a bit tricky. Note that some of our students use different routes in the morning and afternoon as there are different buses available. Students from year 9 on also have a flexible timetable with late starts and early finishes which may require different transport options.

The majority of students come to school by public transport, either by train, bus, a combination of train and a dedicated student bus service or by private charter coach from Southside.

There are insufficient students living on the Northside or East to support a private charter coach.

Student bus services going to QASMT

- Student bus services S744 (3 morning, 2 afternoon), connecting the school to major transport links – Toowong Station, Regatta Ferry Terminal, Cultural Centre, King George Square and Roma St.
- Student bus service S726 (1 morning, 1 afternoon) connecting to and from UQ Chancellors Court, and St Lucia. Students can connect across UQ (an easy 8-10 min walk) to the fast busway services running to UQ. This route is the best way to avoid traffic snarls, and when the Metro comes to UQ will link the school to the Metro.
- Student bus service S771 – 1 bus, afternoon, Ashgrove, Bardon and to Enoggera, allowing connections North (but may be a bit late for students).

Translink bus services coming close to school

414, 415, 425, 430, 435, 444, 445, 453, 454, 460, 470, 598, 599,

Note: times listed in this document are current as of **5 Oct 2025**, and are subject to any changes Translink make. Student bus services (starting with an S) may be updated in Jan 2026, and Brisbane Council launched its new bus network in June 2025 and it is possible there may be some further optimisation.

Please check with Translink for up to date times on all buses.

Buses connecting to train stations for non-standard finish times

The 470 bus from Orchard St (which is a ~ 2 min walk from school) may be useful to some students, as the bus goes to Toowong High St and also along Coronation Drive (e.g. Regatta, near Milton Station) and Roma St Station, and is a quicker route to Roma St than the S744 which goes via Cultural Centre.

The relevant times for the 470 bus are below.

Bus	Orchard St	Toowong High St for Toowong Station	Useful to get to Toowong for
470 to Toowong	2.50pm	2.59pm	Students finishing at 2.15 pm on Thurs, Fri who want to go to Toowong
470 to Toowong	3.21pm	3.29pm	Less crowded option

Bus	Orchard St (stop 25)	Dean St	Milton Station	Roma St Station	Useful for getting to Milton Station or Roma St

Transport Tips - Southside

Routes currently taken by students

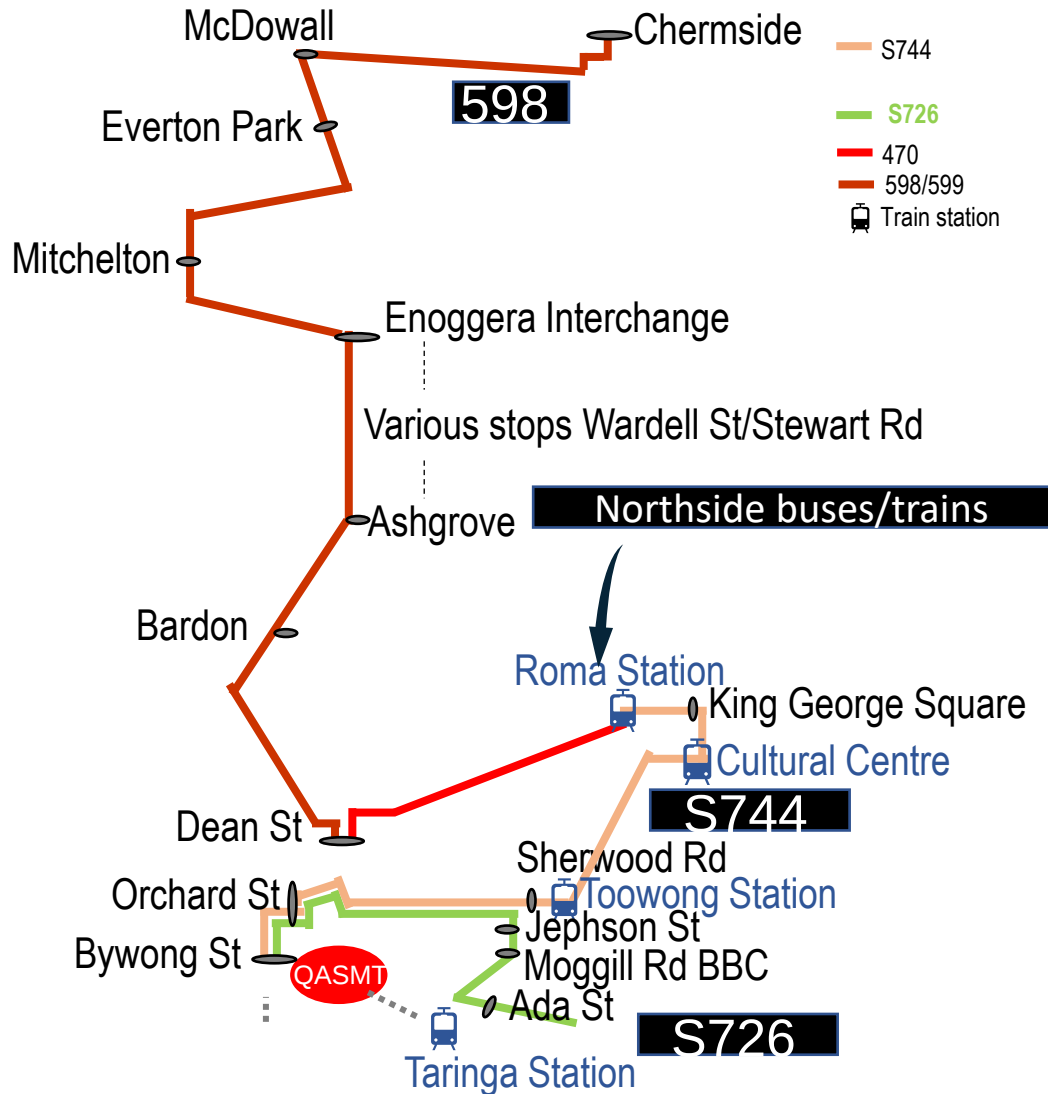

Route	Details	Pros	Cons
Via Cultural Centre/S744	Metro or bus to Cultural Centre	Avoids motorway traffic Direct to Bywong St If bus is missed, can always get 444 to Moggill Rd.	May hit traffic on Coronation Drive. Busy transfer at Cultural Centre. Some students choose to go through to Roma St and pick S744 up there as it is an easier transfer.
Via UQ/S726	139, 169 to/from UQ, transfer to S726	Quicker route that through the city Direct to Bywong St	8-10 min walk across UQ Great Court AM only one bus direct to school at 7.45. am. However, if students miss the bus, they can catch: • 428 and get off at Clarence Rd (15 min walk) • 412 – to Toowong 414 from Stanley St at 2.39, 3.39 and 4.39 to UQ is an alternative. Students working in Research Centre to ~4.30 pm may find that the 414 provides a traffic free route to Southside via UQ Lakes.
Train	Beenleigh Line, change at: • South Brisbane or Roma St to S744, • Roma St to Ipswich/Springfield line and get off at Taringa and walk to school or get off a Toowong and take S744 to/from school or S726 in the afternoon from school.	Avoids motorway traffic. Train to Taringa/Toowong avoids Coronation Drive traffic	Taringa is 15 min walk from school
Private coach	3 coaches (70, 71, 72) run by Mt Gravatt Coaches	Direct from Sunnybank/Mt Gravatt to Bywong St. Students guaranteed a seat. No transfers	Cost – have to pay up front for full year, and more expensive than Translink. Goes via motorway and Coronation Drive, so can get impacted by traffic. If students are doing extracurricular activities before or after school they will need to use another route on those days.
599 bus	Garden City, Sunnybank, Salisbury, Moorooka, Rocklea, Sherwood to Moggill Rd BBC stop	Early service (6.09 am Garden City) gets students to school in time for morning music ensembles (7.15 start)	Heavily impacted by traffic so high risk of being late, except for the early bus. NOT RECOMMENDED at peak commute times. May work better in the afternoon for early finishes

Transport Tips – Road Safety

- Although there are multiple buses linking QASMT to the train network, many students continue to choose to walk to and from Taringa station.
- The school has developed a safe route using an overpass (marked in red) to cross Moggill Rd which is a two lane heavily trafficked major road in Brisbane. However, some students continue to choose to take a short cut, running across Moggill Rd, risking injury and causing a traffic hazard. This is a breach of school rules, and students caught will receive a consequence.
- Parents should be mindful that students often use this route to access Hungry Jacks. Pocket money given to students so they can get a treat from Hungry Jacks encourages students to short cut across Moggill Rd.
- Please encourage your students to either use the buses to access the school, or use the official route to Taringa Station.
