### 3. IB results

To find out how to get your results, see:

<http://www.ibo.org/en/programmes/diploma-programme/assessment-and-exams/getting-results/>

Based on current information:

- **A paper copy of your overall results and diploma attainment will be available from the main office at QASMT from 12 – 2pm on 4 January.** (If you are not available to collect your results in person you may send a signed permission with another person – please use document provided). Please note you or your nominated collector will need photo ID to collect your results.
- **At 10pm on 6 January your detailed results will be available on IBIS.**

If you didn't get the results you were aiming for:

- a. **Review your preference list** - Do you still have a clear pathway to your ideal course/occupation? If you have put thought into ordering your preferences and consulted with your friendly Guidance Officer, you should be ready for any outcome. If you haven't, contact Admissions at your university of choice for advice on upgrading pathways (see Major University Contact Details section).
- b. **Review your results** – Make sure there are no errors, and if you are very close to grade boundaries, consider making an Enquiry Upon Results (see Enquiry Upon Results section).

To convert your IB result to a QTAC Selection Rank or a notional ATAR (known as a Combined Rank), see:

<http://www.qtac.edu.au/for-schools/international-baccalaureate-ib-studies>

### 4. Enquiry Upon Results (EUR)

Information from the IB:

[https://ibpublishing.ibo.org/server3/apps/handbook/pdf.html?doc=d\\_0\\_d\\_pyyy\\_vmx\\_1409\\_1\\_e&part=8&chapter=2&page=1](https://ibpublishing.ibo.org/server3/apps/handbook/pdf.html?doc=d_0_d_pyyy_vmx_1409_1_e&part=8&chapter=2&page=1)

**QASMT will be open to accept EUR applications on 8 January 2018, from 9am-11pm.** There are two options on this day:

- 1) **In person:** Graduates may come to the school to hand in a completed EUR request form and pay \$145 for the EUR by credit card.
- 2) **By phone:** Graduates must first email a completed EUR request form to [admin@qasmt.eq.edu.au](mailto:admin@qasmt.eq.edu.au) and then call 07 3377 9333 to make a credit card payment of \$145 over the phone. **EUR REQUESTS WILL NOT BE LODGED UNTIL PAYMENT HAS BEEN MADE.**

***Applications made after 9 January 2016 will not be processed until the 21 January 2016.***

## 5. Bonus Ranks/Special Assistance Schemes

Bonus ranks are a numerical value added on top of your QTAC Selection Rank or ATAR (i.e. added AFTER converting IB score to rank). Each university and tertiary admissions centre has a different policy regarding bonus ranks and special assistance schemes. You can find information about Special Assistance Schemes (including bonus ranks) in Queensland on the QTAC website:

<http://www.qtac.edu.au/applications/application-resources/assistance-schemes>

## 6. Offers

### How many offers will I get?

You will only receive one offer at a time from each tertiary admissions centre, although if you have applications in at several centres, you may receive an offer from each centre. These offers are completely separate from each other, and you can respond to them all individually (e.g. accept all) **AS LONG AS YOU UN-ENROL FROM YOUR UNWANTED COURSES AS SOON AS YOU'VE MADE YOUR FINAL DECISION (and at the latest by census date).**

### How should I respond to my offer?

As a general rule of thumb, you should *ACCEPT OUTRIGHT* and offer of your first preference, and *CONDITIONALLY ACCEPT* any offer lower than your first preference. This allows you to hang on to the offer you have while being considered for your higher preferences in later rounds. If you conditionally accept, make sure you review your preferences so that only the courses you would prefer to the one you've been offered are above it on the list.
